

## **Dr. Arnaldo ESPAILLAT MATOS**

### **Member of Groups Professionals**

- **School Doctor Dominican (CMD)**
- **Institute Barraquer.** Member of Number. From October 1989.
- **Institute Barraquer.** Section of Ancients Students. From December 1992.
- **Society Dominican of Ophthalmology (SDO).** From July 1996. Past president from 2002 to 2003.
- **Society International of Surgery Refractive (SSRIs).** From May 1997.
- **Association Pan-American of Ophthalmology (PAAO).** From May 1997.
- **Society American of Cataract and Surgery Refractive (ASCRS).** From June 1998.
- **Academy American of Ophthalmology (AAO).** From October 1999.
- **Association Latin American of Surgeons of Cataract, Segment Former and Refractive (ALACCSA-R).** Since November 1999. Past president from 2019 to 2023.
- **Academy Dominican of Medicine.** From October 2002.
- Appointed Member Corresponding of the **Society Colombian of Ophthalmology.** Since March 2014.
- Member Corresponding of the **Society Argentina of Ophthalmology (SAO).** From October 2022.
- Fellow of the **World College of Refractive Surgery and Visual Sciences (WCRSVS).** From February 2023.
- **Association Dominican of Surgeons of Cataract and Refractive (ADOCAREF).** Current President since October 2023.
- **Academy of Sciences of the Republic Dominican.** Member of Number from November 2024.
- Elected member of the Advice Advisory of the **University Ibero-American (UNIBE).** Since November 2024.
- Elected member of the **Foundation University Dominican Peter Henríquez Ureña (UNPHU).** From March 2025.

## Education Superior Specialized

- GLORY Certified (Global Refractive Surgery Education Basic and advanced program . Society International of Surgery Refractive (SSRIs). Miami (FL), States Joined. July 1999.
- *Fellowship* in Retina and Vitreous. Institute University Barraquer. Barcelona, Spain.
- Postgraduate Master's Degree in Anterior Segment Pathology. Barraquer University Institute. Accreditation by the University Autonomous of Barcelona. Barcelona, Spain. October 1995 - October 1996.
- Postgraduate Diploma in Vitreous-Retinal-Choriolar Pathology. Barraquer University Institute. Accreditation by the University Autonomous of Barcelona. Barcelona, Spain. October 1994 - October 1995.
- Residence in Ophthalmology. Institute Barraquer. Barcelona, Spain. January 1992 - December 1995.
- Course Advanced of Ophthalmology. Institute Barraquer Barcelona, Spain. February 1990 - December 1991.
- Course Essential of Ophthalmology. Institute Barraquer. Barcelona, Spain. October 1988 - January 1990.

## Education in Medicine

- University National Peter Henríquez Ureña (UNPHU). Doctor in Medicine *Cum Laude*. Holy Sunday, Republic Dominican. September 1981 - February 1988.
- Job of Thesis for he qualification of DOCTOR IN MEDICINE by the University National Pedro Henríquez Ureña (UNPHU). Qualification: *Summa Cum Laude* . Espaillat A, Delgado E, Rodríguez S. *Congenital Glaucoma: Current Medical and Surgical Therapeutics. Study of cases treated surgically during the 20 years of the Espaillat Cabral Institute* .

## Positions Directives

- Director Doctor of the Institute Espaillat Cabral, Holy Sunday, Republic Dominican Republic. Private medical institution founded in 1970, focusing on specialized ophthalmology.
- Member founder and elected president of the Association Dominican of Surgeons of Cataract and Refractive (ADOCAREF), for the period 2023-2025.
- Elected president of the Executive Board of the Latin American Association of Cataract Surgeons, Segment Former and Refractive (ALACCSA-R) for the bienniums 2019-2021 and 2021-2023 .
- Elected vice president of the Table Executive of the Association Latin American of Surgeons Cataract, Anterior Segment and Refractive (ALACCSA-R) for the 2017-2019 period.
- Member founder and president (from his foundation May 2014 until February 2018) from ADOCOFT (Dominican Association of Ophthalmological Centers).
- President of the Society Dominican of Ophthalmology in the directive 2002-2003 .

## Positions Academics

- Elected member of the Advice Advisory of the University Ibero-American (UNIBE) for the period 2025-2028.
- Teacher of ophthalmology in the University National Peter Henríquez Ureña (UNPHU), Holy

Sunday, Republic Dominican, from October 2018.

- Director of the Fellowship in Surgery of Cataract and Refractive done in he Institute Espailat Cabral and endorsed by the Universidad Iberoamericana (UNIBE). Since March 2009.
- Teacher Associated of Ophthalmology, Boss of the Department of Retina and Phacoemulsification, from the Ophthalmology Department of the National Institute of Diabetes, Nutrition and Endocrinology (INDEN) Hospital. From July 2001 to June 2008.

### **Facts Outstanding**

- Elected member of the Patronage of the Hospital General Square of the Health. June 2017.
- Accredited as *Graduate Distinguished* by the University National Peter Henríquez Ureña (UNPHU). May 2016.
- Selected for form part of the Edition XXI of the publication "Big Dominicans". 2017.
- *Achievement Recipient Award* . Given by the American Academy of Ophthalmology (AAO) as recognition to the members that form part of the programs scientists during the annual meetings. 2017.
- *International Scholar Recipient Award* . Given by the American Academy of Ophthalmology (AAO) as recognition to the members international that They dedicate efforts to staying up-to-date in continuing education in ophthalmology. 2011.
- Recipient of the *International Ophthalmologist Education Award*. Presented by the American Academy of Ophthalmology. of Ophthalmology (AAO) as recognition to the members international who dedicate efforts to staying up-to-date in continuing education in ophthalmology. 2008.
- Winner of the Best Video Award ( *Phaco Pearls Diversity* ) in the Phaco section Pearls of the competition ASCRS TOPGUN 2019. Congress Society American of Surgery of Cataract and Refractive Surgery. San Diego, California, USA. May 2019.
- Member of the Advice International of Surgery Refractive (entity dependent of the International Society of Refractive Surgery of the American Academy of Ophthalmology) as representative of the Dominican Republic.
- Secretary of the Table Executive of the Association Latin American of Surgeons of Cataract, Anterior Segment and Refractive (ALACCSA-R) 2016-2017.
- Representative of Republic Dominican in view of the Association Latin American of Surgeons Cataract, Anterior Segment and Refractive (ALACCSA-R).
- Editor of the section of cataract in the magazine ophthalmological in Internet ALACCSA-R NEWS from January 2011 to April 2019.
- Co-founder and co-coordinator of the First Symposium Advanced for Central America and he Caribbean: Lens Surgery in 2016: The Right Thing! Punta Cana, Dominican Republic.
- Co-founder and co-coordinator of the Second Symposium Advanced for Central America and he Caribbean: Lens Surgery in 2017: The Right Thing to Do! Guatemala City, Guatemala.
- Co-founder and co-coordinator of the Third Symposium Advanced for Central America and he Caribbean: Cataract Surgery in 2018. San José, Costa Rica.
- Co-organizer of the Program Scientist of Surgery of Cataract of the XX Congress International ALACCSA-R. Bogota 2019.
- Organizer of the Program Scientist of Surgery of Cataract of the Congress of the Pan-American Society of Ophthalmology. Bogotá 2015.
- Coordinator Symposium Elderly: New Technologies. XXXVII Congress Society Brazilian of Ophthalmology. Rio de Janeiro, Brazil. August 2013.

- Coordinator of the Phaco Video Symposium celebrated during the XLIII Congress of the Dominican Society of Ophthalmology. Bávaro, Dominican Republic. June 2010.
- Coordinator of the Phaco Video Symposium celebrated during the XLII Congress of the Dominican Society of Ophthalmology. Dominican Republic. June 2009.
- Organizer of the Course of Phacoemulsification done in the XLI Congress of the Dominican Society of Ophthalmology. Bávaro, Dominican Republic. June 2008.
- Adviser of the "Commission Executive For the Reform of the Sector Health" of the Government Dominican Republic, to develop "Ophthalmology Therapeutic Protocols" for use in Dominican public hospitals. December 2001.
- Promoter and Teacher of the first course national about the surgery modern of the cataract, called "Project Faco 2000." It took place at the headquarters of ALCON DOMINICANA, Santo Domingo, Dominican Republic. June 2000.
- Organizer of the Symposium "Modern Comprehensive Management of Diabetic Retinopathy" in Santo Domingo, Republic Dominican. May 2001. Sponsored by the Institute Espaillat Cabral, the Societies Dominicans of Ophthalmology, Endocrinology, Cardiology and of Medicine Internal.
- Founder of the page of Internet of the Institute Espaillat Cabral, first page of specialized medicine in the Dominican Republic. Year 2000.
- Ophthalmologist Retinologist Attach of the Hospital Elias Santana, The Alcarrizos, Dominican Republic (April 1997 to May 1999).
- Secretary General of the Society Dominican of Ophthalmology in the directive 1999-2000 .
- Vocal of the directive of the Society Dominican of Ophthalmology in the city capital of the Dominican Republic in the 1998-1999 directive.
- Vocal of the directive of the Society Dominican of Ophthalmology in the city capital of the Dominican Republic in the 1997-1998 directive.
- President of the Committee Scientist of the XXX Congress of the Society Dominican of Ophthalmology, held in June 1997, Puerto Plata, Dominican Republic.

## Books Published

- Co-editor and co-author of the book ***CICAFE. SURGERY OF THE CATARACT WITH LASER FEMTOSECOND*** . Book published by Jaypee-Highlights Medical Publishers , Inc. Panama, Republic of Panama, 2016. Co-editors: Dr. Virgilio Centurión, Dr. Arnaldo Espaillat, Dr. Claudio Orlich .
- Co-editor of the book ***NEW TRENDS IN CATARACT SURGERY*** . Book published by Jaypee – HighlightsMedical Publishers , Inc. Panama, Republic of Panama, 2013. Co-editors Dr. Arnaldo Espaillat, Dr. Amar Agarwal, Dr. Richard Lindstrom.
- Co-author of the book ***IMAGES DIAGNOSIS IN OPHTHALMOLOGY*** . Book published in Spain by Editorial Spaxs , Barcelona, Spain, 1998. Authors Rafael Barraquer, Andrés Dukes , Arnaldo Espaillat and Gorka Martínez Grau.

## Chapters of books

1. Espaillat Matos TO. *Surgery of Cataract with Laser of Femtosecond* . In: Perez Balbuena A. ***PRACTICAL MANUAL OF CLINICAL OPHTHALMOLOGY*** . Book published by Jaypee - Highlights Medical Publishers , Inc. Panama, Republic of Panama, 2018. Section 3: Anterior Segment and Cataract, pages 464-468.

2. Espallat Matos TO. *CICAFE in Cataract Polar Later*. In: Centurion V, Espallat Matos A, Orlich Dundorf C. *CICAFE. LASER CATARACT SURGERY FEMTOSECOND*. Book published by Jaypee-Highlights Medical Publishers, Inc. Panama, Republic of Panama, 2016. Chapter 23, pages 163-168.
3. Espallat Matos TO. *CICAFE in Cataract Nigrans*. In: Centurion V, Espallat Matos A, Orlich Dundorf C. *CICAFE. LASER CATARACT SURGERY FEMTOSECOND*. Book published by Jaypee-Highlights Medical Publishers, Inc. Panama, Republic of Panama, 2016. Chapter 29, pages 191-196.
4. Espallat Matos A, Centuri3n V, Orlich Dundorf C. *Complications of CICAFE Incision*. In: Centurion V, Espallat Matos TO, Orlich Dundorf C. *CICAFE. SURGERY OF CATARACT WITH FEMTOSECOND LASER*. Book published by Jaypee - Highlights Medical Publishers, Inc. Panama, Republic of Panama, 2016. Chapter 42, pages 271-280.
5. Espallat Matos TO. *Monovision Pseudophakic*. In: Cosentino MJ, Carriazo C, Srur M, Campos M. *SURGERY REFRACTIVE. CONCEPTS BASICS AND ADVANCED*. Book digital published by Jaypee – Highlights Medical Publishers, Inc. Panama, Republic of Panama, 2016. Chapter 47, pages 545-549.
6. Espallat Matos A, Barraquer JI. *Cataract Classification System BCN10*. In: Centuri3n V, Nicoli C, Ch3vez Mondrag3n E. *LENS OF THE AMERICAS. SURGERY OF THE CRYSTALLINE TODAY*. Second Edition. Book digital published by Jaypee – Highlights Medical Publishers, Inc. Panama, Republic of Panama, 2015. Chapter 64, pages 711-722.
7. Espallat Matos TO, Perez EITHER, Potvin R. *Surgery Assisted by Laser further Results with Multifocal IOL, Toric Multifocal IOL, Toric IOL*. In: Centuri3n V, Nicoli C, Ch3vez Mondrag3n AND. *CRYSTALLINE OF THE AMERICAS. THE SURGERY OF THE CRYSTALLINE TODAY*. Second Edition. Book digital published by Jaypee – Highlights Medical Publishers, Inc. Panama, Republic of Panama, 2015. Chapter 51, pages 581-595.
8. Escaf L, Melo LM, Londo3o J, Newball L, Viteri E, Lorente R, Zapata J, Espallat A, Jaramillo J. *Ultrachopper : The Ultrasonic Scalpel*. In: Centuri3n V, Nicoli C, Ch3vez Mondrag3n AND. *CRYSTALLINE OF THE AMERICAS. THE SURGERY OF THE CRYSTALLINE TODAY*. Second Edition. Book digital published by Jaypee – Highlights Medical Publishers, Inc. Panama, Republic of Panama, 2015. Chapter 51, pages 581-595.
9. Escaf L, Melo LM, Londo3o J, Newball L, Viteri E, Lorente R, Zapata J, Espallat A, Jaramillo J. *Approach of Waterfalls Dense with Ultrachopper*. In: Centurion V, Nicoli C, Ch3vez Mondrag3n E. *CRYSTALLINE OF THE AMERICAS. SURGERY OF THE CRISTALINO TODAY*. Second Edition. E-book published by Jaypee – Highlights Medical Publishers, Inc. Panama, Republic of Panama, 2015. Chapter 58, pages 661-672.
10. Espallat A. *Premium Intraocular Lenses in Cataract Surgery*. In: Espallat A, Agarwal TO, Lindstrom R. *NEW TENDENCIES IN SURGERY OF CATARACT*. Book published by Jaypee – Highlights Medical Publishers, Inc. Panama, Republic of Panama, 2013. Chapter 11, pages 163-184.
11. Orlich Claudio, Centurion Virgil, Espallat TO. *Treatments with Glasses Torics in High Myopia: Indications and Contraindications*. In: Crist3bal JA, Ruiz Mesa R. *Astigmatism. Diagnostic and Therapeutic Methods*. This is the 95th presentation. official of the Society Spanish of Ophthalmology. Book published by the Society Spanish Ophthalmology Institute. Printed by Industria Gr3fica MAE, SL, Madrid, Spain, 2019. Chapter 62, pages 541-546.

12. Espaillet TO. *Dysphotopsias and unrest visuals. Halos, glare I starburst* . In: Bregliano G, Fernández Mendy J, Nicoli M. *GUIDE FOR THE SURGICAL MANAGEMENT OF PRESBYOPIA AND MULTIFOCALITY*. Digital publication (PDF) by the Argentine Society of Ophthalmology and the Argentine Society of Cornea, Refractive and Cataract. Printed by Ediciones Científicas Argentinas. Buenos Aires, Argentina, 2024. Chapter 38, pages 210-214.

### **Jobs Presented in Congresses and Conferences Taught**

1. Espaillet A. *Cataract Surgery in Short Eyes* . Lecture presented at the 57th Annual Meeting of the Dominican Society of Ophthalmology, Punta Cana, Dominican Republic, July 2025.
2. Morales J, Espaillet A. *Mix & Match in presbyopia surgery, a solution between IOLs ? Panfocals and EDOF?* Presentation at the 57th Annual Meeting of the Dominican Society of Ophthalmology, Punta Cana, Dominican Republic, July 2025.

3. Espaillet A. *Dysphotopsia with Presbyopia IOLs* . Lecture presented at the 36th Congress of the Pan American Association of Ophthalmology. Bogotá, Colombia, May 2025.
4. Espaillet A. *Pentacam AXL Wave in your cataract surgeries* . Conference presented at the 36th Congress of the Pan American Association of Ophthalmology. Bogotá, Colombia, May 2025.
5. Espaillet A. *Comparison of 2 IOL Blend platforms Vision* . Conference presented at the 36th Congress of the Pan American Association of Ophthalmology. Bogotá, Colombia, May 2025.
6. Espaillet A. *Scleral IOL Fixation Using the Modified Canabrava Technique* . Video presented at the 36th Congress of the Pan American Association of Ophthalmology. Bogotá, Colombia, May 2025.
7. Espaillet A. *Late UGH syndrome* . Lecture presented at the 40th Congress of the Spanish Society of Refractive Ocular Implant Surgery (SECOIR). Madrid, Spain , May 2025.
8. Espaillet A. *When is it possible to select a multifocal lens after corneal refractive surgery?* Lecture presented at the 40th Congress of the Spanish Society of Ocular Implant Refractive Surgery (SECOIR). Madrid, Spain , May 2025.
9. Espaillet A. *Advice on cataract surgery in short eyes*. Video presented at the 40th Congress of the Spanish Society of Refractive Ocular Implant Surgery (SECOIR). Madrid, Spain , May 2025.
10. Espaillet A. *Late UGH syndrome* . Lecture presented at the 25th Alacsa International Congress - R 2025. Lima, Peru. March 2025.
11. Espaillet A, Pérez O. *Initial comparison of two IOL BlendVision platforms for addressing presbyopia* . Conference presented at the 25th Alacsa International Congress -R 2025. Lima, Peru. March 2025.
12. Espaillet A. *Surgical disaster rescue in a patient undergoing refractive surgery* . Video presented at the 25th Alacsa International Congress -R 2024. Lima, Peru. March 2025.
13. Espaillet A. *Application of artificial intelligence in medicine and ophthalmology*. Conference presented in the Academy of Sciences of the Republic Dominican. Santo Domingo, Dominican Republic. November 2024.
14. Espaillet TO. *Three piece IOL scleral fixation with partial capsular support*. Video presented at the European Society of Cataract and Refractive Surgeons (ESCRS) Congress. Barcelona, Spain. September 2024.
15. Espaillet TO. *Presbyond case presentation*. Conference presented in he congress of the European Society of Cataract and Refractive Surgeons (ESCRS). Barcelona, Spain. September 2024.
16. Espaillet A. *When to Place Trifocal and EDOF IOLs After Refractive Surgery*. Lecture presented in he congress international of Alacsa -R 2024. Santiago, Chili. March 2024.
17. Espaillet TO . *Implant of MESS of 3 parts with fixation scleral through technique of suture Double-flange in the presence of partial capsular support*. Video presented at the Alacsa - R 2024 International Congress. Santiago, Chile. March 2024.
18. Espaillet A. *Patient satisfaction with trifocal/EDOF IOLs vs. bilateral trifocal IOLs*. Conference presented in he congress international of Alacsa -R 2024. Santiago, Chili. March 2024.
19. Espaillet TO . *Dysphotopsias positive: all it that you must know*. Conference presented in Alacsa -R 2024 International Congress. Santiago, Chile. March 2024.
20. Espaillet TO. *Intelligence artificial: utility in you practice daily*. Conference presented in the Facocaribe 2024 congress . Barranquilla, Colombia. March 2024.
21. Espaillet A, Pérez Obniel . *Comparison of satisfaction and dysphotopsia in 4 premium corrective lenses. of presbyopia*. Conference presented in he Congress International Set of Argentine Society of Ophthalmology and Alacsa -R. Buenos Aires, Argentina. October 2022.
22. Espaillet TO. *Rescue of lens Acrylic with technique of Fixation scleral double flange*. Conference presented at the Joint International Congress of the Argentine Society of

Ophthalmology and Alacsa -R. Buenos Aires, Argentina. October 2022.

23. Espallat TO . *Importance of the biomechanics corneal in the screening of surgery Keratorefractive* . Lecture presented at the Joint International Congress of the Argentine Society of Ophthalmology and Alacsa -R. Buenos Aires, Argentina. October 2022.
24. Espallat A. *Cataract Surgery: Pearls in the prevention of Vitreous-Retinal complications* . Conference On-line presented in the meeting of education medical continues for Guatemalan Ophthalmology Association. September 2022.
25. Espallat A, Pérez Obniel . *Predictive factors for dysphotopsia with the Panoptix intraocular lens* . Conference presented in the XIX Congress International of Cataract and ABCCR/BRASCRS Refractive Surgery . Salvador de Bahia, Brazil. May 2022.
26. Espallat A. *Importance of corneal biomechanics in refractive surgery*. Lecture presented in the XIX Congress International of Cataract and ABCCR/BRASCRS Refractive Surgery . Salvador de Bahia, Brazil. May 2022.
27. Espallat TO, Perez Obniel . *Excellence refractive in the surgery of cataract in the 2022*. Conference presented in the XIX Congress International of Cataract and ABCCR/BRASCRS Refractive Surgery . Salvador de Bahia, Brazil. May 2022.
28. Espallat TO, Perez Obniel . *Refractive and UVAC results in cataract surgery*. Conference presented in the congress of the Society American of Surgery of Cataract and Refractive. Washington, DC, USA. April 2022.
29. Espallat A. *Scleral fixation of acrylic lenses using the double-flange technique*. Presented in a lecture . in the congress of the Society American of Surgery of Cataract and Refractive. Washington, DC, USA. April 2022.
30. Espallat A, Coelho Constanca , Medrano Michael, Pérez Obniel . *Predictors of positive dysphotopsias with trifocal IOL* . Congress of Winter of the Society European of Surgery of Cataract , Segment Former and Refractive (ESCRS). February 2022.
31. Espallat TO. *Mix and match strategies* . Conference on-line presented in the congress virtual 26th Winter Congress of the European Society of Cataract , Anterior Segment and Refractive Surgeons (ESCRS). February 2022.
32. Espallat A. *Management of capsulorhexis* . Online conference presented within the framework of the Course of Postgraduate in Surgery of Cataract of the University of Buenos Aires (UBA). October 2022 and 2021.
33. Espallat TO. *Hydrodissection in surgery of cataract*. Conference On-line presented in the as part of the Postgraduate Course in Cataract Surgery at the University of Buenos Aires (UBA). October 2022 and 2021.
34. Espallat TO. *Prosthesis of Iris and Cataract Traumatic* . Conference On-line presents in the framework of the Facoextrema X Congress. Buenos Aires, Argentina. September 2021.
35. Espallat A. *Scleral fixation of IOLs with penetrating suture*. Online conference. presented in the frame of the Congress Society Argentina Ophthalmology (SAO). Buenos Aires, Argentina. September 2021.
36. Espallat TO. *Presbyopia and implant of glasses multifocal*. Conference On-line presented in Within the framework of the Surgical Training and Skills Laboratory Course of the Mexican Center of Cataract Surgeons. Mexico City, Mexico. September 2021.
37. Espallat TO. *Cataract Black, MESS toric and rip of capsule: that do?*. Conference online (virtual) clinical case presented at the DEBATE SAO symposium: CATARATA. Argentine Ophthalmology Society, Buenos Aires, Argentina. June 2021.
38. Espallat TO. *Management of the surgery of cataract and nodules of Salzmann* . Conference Online presentation at the 13th Dr. Jaime Fernández de Castro Course in Barranquilla, Colombia. May 2021.
39. Espallat A. *Multifocality : Why, When, and How* . Online Conference presented within the framework of the XIII Course Dr Jaime Fernandez of Castro of Barranquilla, Colombia.

May 2021.

40. Espailat TO. *Dysphotopsias with IOLs trifocals and his handling* . Conference On-line presented in within the framework of the 13th Dr. Jaime Fernández de Castro Course in Barranquilla, Colombia. May 2021.
41. Espailat TO. *Prophylaxis of the opacity capsular posterior* . Conference On-line presented in within the framework of the 36th Congress of the Spanish Society of Refractive Ocular Implant Surgery, Virtual Format. May 2021.
42. Espailat A. *The world of capsulorhexis* . Online conference presented within the framework of the “ Phaco ” course. Fundamentals with Experts”, of the Alcon Experience Academy endorsed by the Argentine Society of Ophthalmology and ALACCSA-R. November 2020.
43. Espailat TO. *Hydrodissection and as avoid complications*. Conference On-line presented in within the framework of the “ Phaco Fundamentals with Experts” Course, by Alcon Experience Academy endorsed by the Argentine Society of Ophthalmology and ALACCSA-R. November 2020.
44. Espailat TO. *Excellence refractive in surgery of cataract*. Conference On-line presented in The 21st International Congress of the Brazilian Society of Ophthalmology. November 2020.
45. Espailat TO. *Surgery of the crystalline in eyes with problem zonular (update)*. Online Conference presented in he 7th. Course International of Advances and Innovation in Ophthalmology, from the Nuevo León College of Ophthalmology. Monterrey, Mexico. September 2020.
46. Espailat A. *Predictive factors in dysphotopsia* . Online lecture presented at the 7th Annual Course International of Advances and Innovation in Ophthalmology, of the school of ophthalmology from Nuevo León. Monterrey, Mexico. September 2020.
47. Espailat A. *Biomechanical analysis in diagnostic tests for refractive surgery*. Conference On-line presented in he 7th. Course International of Advances and Innovation in Ophthalmology, of the school of ophthalmology of New Lion. Monterrey, Mexico. September 2020.
48. Espailat TO. *Management of the astigmatism residual after of the lens intraocular toric*. Online conference presented at the 7th International Course on Advances and Innovation in Ophthalmology, Nuevo León College of Ophthalmology. Monterrey, Mexico. September 2020.
49. Espailat TO. *Talk Masterly: Result visual premium in surgery of cataract*. Espailat A. *Lens surgery in eyes with zonular problems (update)*. Online lecture presented at the 7th International Course on Advances and Innovation in Ophthalmology, Nuevo León College of Ophthalmology. Monterrey, Mexico. September 2020.
50. Espailat TO. *Acuity visual premium in surgery of cataract*. Conference On-line presented at the 35th <sup>Congress</sup> of the Spanish Society of Refractive Ocular Implant Surgery (SECOIR). September 2020.
51. Espailat TO. *Management of the astigmatism residual*. Conference On-line presented in he 35th <sup>Congress</sup> of the Spanish Society of Refractive Ocular Implant Surgery (SECOIR). September 2020.
52. Espailat TO. *Entrapment pupillary of MESS, That do?* Conference On-line presented in the frame of the Congress Centenary of the Society Argentina of Ophthalmology, September 2020.
53. Espailat A. *Management with a subluxated multifocal lens* . Online conference presented within the framework of the Congress Centenary of the Society Argentina of Ophthalmology, September 2020.
54. Espailat TO. *Surgery of the crystalline in eyes with problem zonular (update)*. Online conference presented at the Alaccca -R symposium, within the framework of the Centennial Congress of the Argentine Society of Ophthalmology, September 2020.
55. Espailat TO. *Diabetes and Surgery of Waterfall* . Conference On-line presented to the

Dominican Society of Endocrinology and Nutrition (SODENN) in a webinar on Cataracts, Glaucoma, and Retinopathy in Diabetic Patients. August 2020.

56. Espaillet TO. *Management of the astigmatism residual then of implant MESS Toric*. Online Conference presented at the Faco Extrema 2020 Congress. August 2020.
57. Espaillet A. *What you should know about toric IOLs* . Online lecture presented at the program of education continues of the address of postgraduate of OPHTHALMUS HEALTH, Lima, Peru, April 21, 2020.
58. Espaillet TO. *Fixation scleral of MESS + Ring of strain Capsular + Sack Capsular subluxated* . Clinical case presented at the Online Symposium “Problems with Multifocal Intraocular Lenses” of the Argentine Society of Ophthalmology, April 9, 2020.
59. Espaillet TO. *Solution of astigmatism induced by MESS subluxated* . Case clinical presented in the ALACCSA-R virtual webinar “Cataract Surgery in Special Cases.” April 2020.
60. Espaillet TO. *Experience with he treatment lasik Contoura* . Conference presented in ALACCSA-R virtual webinar “Update on refractive surgery”. April 2020.
61. Espaillet TO. *Acuity visual premium in surgery of cataract*. Conference presented in the FacoCaribe 2020 congress . March 2020. Barranquilla, Colombia.
62. Espaillet TO. *System NOW verifiEye link + version 3.1*. Conference presented in he FacoCaribe 2020 Congress . March 2020. Barranquilla, Colombia.
63. Espaillet TO. *Pearls various in the surgery of waterfall* . Conference presented in he “FacoFest ” congress 2019”, of the Center Mexican of Surgeons of Cataract, AC October 2019. Mexico City, Mexico.
64. Espaillet A. *Where do I get the magnitude and axis of astigmatism to choose an intraocular lens? toric?* . Conference presented in he congress “ FacoFest 2019”, of the Mexican Center of Cataract Surgeons, AC October 2019. Mexico City, Mexico.
65. Espaillet A. *What is the tolerance for variability in magnitude and astigmatic axis between two technologies ?* Conference presented in he congress “ FacoFest 2019”, of the Center Mexican of Cataract Surgeons, AC October 2019. Mexico City, Mexico.
66. Espaillet TO. *Do they exist? factors predictive of dysphotopsias in trifocals?* . Conference presented at the “ FacoFest 2019” congress , of the Mexican Center of Cataract Surgeons, AC October 2019. Mexico City, Mexico.
67. Espaillet TO. *By that use Femtocataract ?* . Conference presented in he congress “ FacoFest 2019”, from the Mexican Center of Cataract Surgeons, AC October 2019. Mexico City, Mexico.
68. Espaillet A. *Video presentation of a clinical case of capsular rupture and toric IOL implantation* . Conference presented in he congress “ FacoFest 2019”, of the Center Mexican of Surgeons from Catarata, AC October 2019. Mexico City, Mexico.
69. Espaillet A. *Very hard cataracts treated with femtosecond laser: A case and 5 pearls*. Conference presented in he IV Symposium "The Surgery Of The Cataract In He 2019". July 2019, Panama City, Panama.
70. Espaillet TO. *Hook stabilizer of capsule: A case and 5 pearls*. Conference presented in the IV Symposium “The Surgery Of The Cataract In 2019”. July 2019, city of Panama, Panama.
71. Espaillet TO. *Segment of Ahmed: A case and 5 pearls*. Conference presented in he IV Symposium "Cataract Surgery in 2019". July 2019, Panama City, Panama.
72. Espaillet TO. *NOW VerifEye Lynk + Version 3.1*. Conference presented in he IV Symposium “Cataract Surgery in 2019.” July 2019, Panama City, Panama.
73. Espaillet A. *Capsular block syndrome: A case and 5 pearls*. Lecture presented at the IV Symposium "The Surgery Of The Cataract In He 2019". July 2019, city of Panama, Panama.
74. Espaillet A. *On zonular weakness : A case and 5 pearls*. Lecture presented at the IV Symposium "The Surgery Of The Cataract In He 2019". July 2019, city of Panama,

Panama.

75. Espailat A. *Treatment of astigmatism and toric lenses* . Lecture presented at the 15th Congress International of Ophthalmology of the Clinic Ophthalmological of Cali. Cali, Colombia. May 2019.
76. Espailat A. *Multifocals, Trifocals, Bifocals* . Lecture presented at the 15th International Congress of Ophthalmology of the Clinic Ophthalmological of Cali. Cali, Colombia. May 2019.
77. Espailat TO. *Maneuver of PAL* . Presentation of case clinical complicated of surgery of cataract at the 15th International Congress of Ophthalmology of the Cali Ophthalmological Clinic. Cali, Colombia. May 2019.
78. Espailat TO. *Fuch's Dystrophy and FLACS* . Conference presented in he XXXIV Pan-American Congress of Ophthalmology. Cancun, Mexico. May 2019.
79. Espailat TO. *Multifocality : When, As and By That* . Conference presented in he 34th Pan-American Congress of Ophthalmology. Cancun, Mexico. May 2019.
80. Espailat TO. *Case challenging in surgery of waterfall* . Video presented in he XXXIV Pan-American Congress of Ophthalmology. Cancun, Mexico. May 2019.
81. Espailat A. *Phaco Pearls Diversity* . Selected as the best video in the section of Phaco Pearls of the competition ASCRS TOPGUN 2019. Congress Society American of Surgery Cataract and Refractive Surgery. San Diego, California, USA. May 2019.
82. Espailat TO, Perez EITHER. *Experience with he treatment Lasik Contoura* . XX Alacsa -R International Congress , Bogotá, Colombia. March 2019.
83. Espailat TO, Perez EITHER, Castro F. *Surgery of cataract in Dystrophy of Fuchs* . XX Alacsa -R International Congress , Bogotá, Colombia. March 2019.
84. Espailat A. *Utility of the HD Analyzer* . Conference presented at the Symposium organized by ANDREC Corporation titled "New Technologies of Diagnosis in Cornea and "Ocular Surface." Santo Domingo, Dominican Republic. November 2018.
85. Espailat TO. *Aspects current of waterfall* . Conference Masterly presented during the First Conference on Advances in Head and Neck Surgery at the Plaza de la Salud General Hospital. Santo Domingo, Dominican Republic. October 2018.
86. Espailat TO. *Nodules of Salzman and waterfall* . Video presented during he VII Course Annual Cornea-Cataract-Refractive. Bani, Dominican Republic. October 2018.
87. Espailat TO, Perez EITHER. *Acuity visual primium in the surgery of cataract* . X International Congress of the Hemisphere South Alacsa -R 2018. Santiago, Chili. September 2018.
88. Espailat TO, Perez EITHER. *Experience with he treatment Lasik Contoura* . X Congress Southern Hemisphere International Alacsa -R 2018. Santiago, Chile. September 2018.
89. Espailat TO, Perez EITHER. *HD Analyzer in the practice daily* . X Congress International from the Southern Hemisphere Alacsa -R 2018. Santiago, Chile. September 2018.
90. Espailat A. Video entitled Management of *subluxated cataract and pupillary block*. Presented during he X Congress International of the Hemisphere South Alacsa -R 2018. Santiago, Chile. September 2018.
91. Espailat TO. *Treatment of the astigmatism corneal with IOLs toric* . X Congress Southern Hemisphere International Alacsa -R 2018. Santiago, Chile. September 2018.
92. Espailat A, Pérez Padrón O. *Predictive data of positive dysphotopsias in patients with implants of lens intraocular Trifocal*. Taught by he Dr. Espailat as conference in the World Ophthalmology Congress (WOC). Barcelona, Spain. June 2018.
93. Espailat A. *Manual and Digital Marking System* . Given by Dr. Espailat as a lecture. in he World Ophthalmology Congress (WOC). Barcelona, Spain. June 2018.
94. Espailat TO. *My approach to hard cataracts with Flacs* . Taught by he Dr. Espailat as a

conference in the World Ophthalmology Congress (WOC). Barcelona, Spain. June 2018.

95. Espiailat TO. *Family Panoptix* . Taught during the event Alcon Innovation Ibero-American Day. Barcelona, Spain. June 2018.
96. Espiailat TO. *Femtophaco : my technique in waterfalls hard* . III Symposium The Surgery of the Cataract 2018, Central America and the Caribbean. San José, Costa Rica. May 2018.
97. Espiailat TO. *Cataract Subluxated : Technique Ventura* . III Symposium The Surgery of the Cataract 2018, Central America and the Caribbean. San José, Costa Rica. May 2018.
98. Espiailat TO, Perez EITHER. *Dysphotopsias in MESS trifocal Panoptix , causes?* III Symposium The Cataract Surgery 2018, Central America and the Caribbean. San José, Costa Rica. May 2018.
99. Espiailat TO. *It matters either No the filter yellow in the MESS* . III Symposium The Surgery of the Cataract 2018, Central America and the Caribbean. San José, Costa Rica. May 2018.
100. Espiailat TO. *Cataract and Misdirection* . III Symposium The Surgery of the Cataract 2018, Central America and the Caribbean. San José, Costa Rica. May 2018.
101. Espiailat A. 3D Cataract Surgery. Live broadcast for the auditorium of the III Symposium. The Surgery of the Cataract 2018, Central America and Caribbean. San José, Costa Rica. May 2018.
102. Espiailat TO. *Management of the astigmatism residual then of implant a MESS toric*. Society Congress American of Surgery of Cataract and Refractive. Washington DC, States United. April 2018.
103. Espiailat TO. *Microphthalmos and glaucoma phacomorphic* . Congress Society American of Cataract and Refractive Surgery. Washington, DC, USA. April 2018.
104. Espiailat TO. *Misdirection syndrome and waterfall* . Congress Society American of Surgery Cataract and Refractive Surgery. Washington DC, USA. April 2018.
105. Espiailat TO. *Excellence refractive in the surgery of waterfall* . Congress Society American Cataract and Refractive Surgery. Washington DC, USA. April 2018.
106. Espiailat TO, Perez EITHER. *Dysphotopsias in glasses trifocals, causes?* During the FacoCaribe 2018 Congress . Barranquilla, Colombia. March 2018.
107. Espiailat TO. *Pearls in IOLs Torics* . During the congress FacoCaribe 2018. Barranquilla, Colombia. March 2018.
108. Espiailat TO. *Of very hard and polar*. Conference imparted in the congress Phaco Elche 2018. Elche, Spain. February 2018.
109. Espiailat TO. Speaker in the segment Harmonization of the Astigmatism Ibero-American. During the Faco Elche 2018 conference. Elche, Spain. February 2018.
110. Espiailat TO. *Vitrectomy Former Pars Flat in Rip of Capsule Posterior* . Lecture given at the Faco Elche 2018 conference. Elche, Spain. February 2018.
111. Espiailat TO. *New Technologies for the calculation. Version and Now* . In the Course Virtual "Management of Astigmatism in Lens Surgery", held at the PAAO (Pan-American Association of Otolaryngologists) Virtual Campus of Ophthalmology ), [www.pao.org](http://www.pao.org). January 2018.
112. Espiailat A. *Roundtable - Cataract Surgery*. 19th Congress of the Northern Ophthalmology Group. Santiago, Dominican Republic. December 2017.
113. Espiailat A. *Pal technique for posterior capsule rupture caused by femtophaco* . Video presented at the Cataract and Complications module. IX Alacsa -R International Congress of the Northern Hemisphere , Central America and the Caribbean. Mexico City, Mexico. October 2017.
114. Espiailat A. *Cataract Surgery in Small Pupils* . IX Alacsa -R-CMCC International Congress of the Northern Hemisphere , Central America and the Caribbean. Mexico City, Mexico. October 2017.

115.           Espaillat A. *How to manage a patient with astigmatism and cataracts. 9th* Alacsa -R-CMCC International Congress of the Northern Hemisphere , Central America and the Caribbean. Mexico City, Mexico. October 2017.
116.           Espaillat A. Surgery broadcast live from La Luz Hospital to the audience during the IX Alacsa -R-CMCC International Congress of the Northern Hemisphere , Central America and the Caribbean. Mexico City, Mexico. October 2017.
117.           Espaillat A. *Subluxated cataract and Ventura Technique*. Video presented in the Waterfall module and Complicated Cases, within the framework of the VI Cornea-Refractive-Cataract Course. Bani, Dominican Republic. October 2017.
118.           Espaillat A. *Cataract Surgery and Misdirection syndrome* . Video presented in the Cataract and Complicated Cases module, as part of the 6th Cornea-Refractive-Cataract Course. Bani, Dominican Republic. October 2017.
119.           Espaillat A. *Refractive Excellence in Cataract Surgery* . Keynote Lecture by Dr. Arturo Grullón. Within the framework of the 50th Congress of the Dominican Society of Ophthalmology. Punta Cana, Dominican Republic. June 2017.
120.           Vittini OF, Espaillat TO. *Results refractive astigmatic residuals with Three toric IOL calculators* . Within the framework of the 50th Congress of the Dominican Society of Ophthalmology. Punta Cana, Dominican Republic. June 2017.
121.           Espaillat A. *Five Pearls in Posterior Polar Cataract Surgery* . Society Congress American College of Cataract and Refractive Surgery. Los Angeles , CA, USA. May 2017.
122.           Espaillat TO. *Femtosecond in Phacorefractive Surgery, does Item really improve results?* . American Society of Cataract and Refractive Surgery Congress. Los Angeles (CA), USA. May 2017.
123.           Espaillat TO. *Case clinical: treatment astigmatism post-surgery of cataract. In the Section from “ Learning from our Mistakes VI”*. American Society of Cataract and Refractive Surgery Congress. Los Angeles (CA), USA. May 2017.
124.           Espaillat TO. *Pupil Small* . Second Symposium Advanced for Central America and he Caribbean: Lens Surgery in 2017: As it should be! Within the framework of the 15th National Congress of the Guatemalan Society of Ophthalmology. Guatemala City, Guatemala. February 2017.
125.           Espaillat A. *Clinical case: Management of malignant glaucoma due to zonulopathy* . Second Advanced Symposium for Central America and the Caribbean: Lens Surgery in 2017:  
As has to be! Inside of the frame of the XV Congress National of the Society Guatemalan of Ophthalmology. Guatemala City, Guatemala. February 2017.
126.           Espaillat A. *Clinical case: Tilted IOL management 1 year after cataract surgery* . Second Symposium Advanced for Central America and he Caribbean: The Surgery of the Crystalline In 2017: As it should be! Within the framework of the 15th National Congress of the Guatemalan Society of Ophthalmology. Guatemala City, Guatemala. February 2017.
127.           Espaillat A. *Clinical case: Management of IOL implantation after anterior and posterior capsule rupture* . Second Advanced Symposium for Central America and the Caribbean: Lens Surgery in 2017: As it should be! Within the framework of the XV National Congress of the Guatemalan Society of Ophthalmology. Guatemala City, Guatemala. February 2017.
128.           Espaillat A. *Clinical case: Management of IOL haptic entrapment within the implantation cartridge* . Second Advanced Symposium for Central America and the Caribbean: Lens Surgery in 2017: As it should be! Within the framework of the XV National Congress of the Guatemalan Society of Ophthalmology. Guatemala City, Guatemala. February 2017.
129.           Espaillat A. *Evolution in the surgical approach to hard cataracts such as stones* . Webinar of the Pan-American Association of Ophthalmology taught online on July 18, 2016.

130.           Espaillat A. *Premium lenses and their "tricks": And you, what would you do?* First Advanced Symposium for Central America and the Caribbean: Lens Surgery in 2016:  
As has to be! Inside of the frame of the XLIX Congress Society Dominican of Ophthalmology. Punta Cana, Dominican Republic. June 2016.
131.           Espaillat A. *Pearls for calculating toric IOLs* . First Advanced Symposium for Central America and he Caribbean: The Surgery of the Crystalline in he 2016: As has to be! Inside within the framework of the 49th Congress of the Dominican Society of Ophthalmology. Punta Cana, Dominican Republic. June 2016.
132.           Espaillat A. *Advances in CICAPE* . First Advanced Symposium for Central America and the Caribbean: Lens Surgery in 2016: As it should be! Within the framework of the 49th Congress of the Dominican Society of Ophthalmology. Punta Cana, Dominican Republic. June 2016.
133.           Espaillat TO. *Implant of MESS in case of crystalline subluxated by syndrome from Marfan* . First Advanced Symposium for Central America and the Caribbean: Lens Surgery in 2016: As it should be! Within the framework of the 49th Congress of the Dominican Society of Ophthalmology. Punta Cana, Dominican Republic. June 2016.
134.           Espaillat A. *Results with AcrySof PanOptix* . First Advanced Symposium for Central America and he Caribbean: The Surgery of the Crystalline in he 2016: As has to be! Inside within the framework of the 49th Congress of the Dominican Society of Ophthalmology. Punta Cana, Dominican Republic. June 2016.
135.           Espaillat A. *Posterior capsular rupture: classic, current, and LIOTAs* . First Advanced Symposium for Central America and the Caribbean: Lens Surgery in 2016.  
As has to be! Inside of the frame of the XLIX Congress Society Dominican of Ophthalmology. Punta Cana, Dominican Republic. June 2016.
136.           Espaillat A. *Panelist on live surgery: Cataract IOL AcrySof IQ PanOptix* . 14th International Congress of Cataract and Refractive Surgery. Sao Paulo, Brazil. June 2016.
137.           Espaillat A. *Femtosecond laser corneal incisions versus toric IOLs in astigmatism low: Results to long term*. XIV Congress International of Cataract and Refractive Surgery. Sao Paulo, Brazil. June 2016.
138.           Espaillat A. *Surgery of waterfall and epiretinal membranes* . XIV International Congress of Cataract and Surgery Refractive. Sao Paulo, Brazil. June 2016; II Congress International Cataract, Refractive & Retina. Quito, Ecuador. July 2015.
139.           Espaillat A. *Alcon Panoptic Trifocal Intraocular Lens* . ALACCSA-R Symposium: Presbyopia, where we are? XIV Congress International of Cataract and Surgery Refractive. Sao Paulo, Brazil. June 2016.
140.           Espaillat A. *Advantages of Anterior Pars Plana Vitrectomy in Cataract Surgery*. 14th International Congress of Cataract and Refractive Surgery. Sao Paulo, Brazil. June 2016.
141.           Espaillat A. *Early experience with ReSTOR PanOptix : What to Expect?* 14th International Congress of Cataract and Refractive Surgery. Sao Paulo, Brazil. June 2016.
142.           Espaillat A. *What should be done when residual astigmatism occurs after toric IOL implantation?* 14th International Congress of Cataract and Refractive Surgery. Sao Paulo, Brazil. June 2016.
143.           Espaillat TO. *CICAPE in cataract polar later*. Congress Society American of Surgery Cataract and Refractive Surgery. New Orleans (LA), USA. May 2016.
144.           Espaillat A. *Cataract Surgery Olympics: Clinical Case* . Congress of the Society American College of Cataract and Refractive Surgery. New Orleans, LA, USA. May 2016.
145.           Espaillat A. *What to do when you have residual astigmatism after a toric IOL implantation*. American Society of Cataract and Refractive Surgery Congress. New Orleans (LA), USA. May 2016.

146. Espaillat A. *Fuchs' Dystrophy and CICAPE. My Current Behavior.* Congress of the Society American College of Cataract and Refractive Surgery. New Orleans, LA, USA. May 2016.
147. Espaillat A. *Management of complicated cases in surgery Cataract: Cartridge fracture with IOL present.* American Society of Cataract and Refractive Surgery Congress. New Orleans (LA), USA. May 2016.
148. Espaillat A. *Astigmatism management in cataract surgery. Surgical evidence: Clinical case of toric IOL and dry eye.* American Society of Cataract and Refractive Surgery Congress. New Orleans (LA), USA. May 2016.
149. Espaillat A. *Management of capsular rupture.* 5th International Facocaribe Congress . Barranquilla, Colombia. March 2016.
150. Espaillat A. *What you need to know to succeed with toric lens implantation.* 5th International Facocaribe Congress . Barranquilla, Colombia. March 2016.
151. Espaillat A. *Presbyopia correction based on needs and lifestyle.* Symposium on the Latest Innovations in Cataract and Refractive Surgery. 30th World Congress of Ophthalmology. Guadalajara, Mexico. February 2016.
152. Espaillat A. *Clinical case: Difficult black cataract .* XXX World Congress of Ophthalmology. Guadalajara, Mexico. February 2016; IV Course on Cornea-Refractive-Cataract. Dominican Society of Ophthalmology and Dominican Cornea Association. Bani, Dominican Republic. October 2015; II International Congress on Cataract, Refractive & Retina. Quito, Ecuador. July 2015.
153. Espaillat A. *Long-term refractive outcomes after femtolaser cataract surgery .* 30th World Congress of Ophthalmology. Guadalajara, Mexico. February 2016.
154. Espaillat A. *Femto in hard cataracts .* 18th Congress of the Northern Ophthalmology Group. Santiago, Dominican Republic. September 2015.
155. Espaillat A. *Live refractive cataract surgery .* XXXI Pan-American Congress of Ophthalmology. Bogotá, Colombia. August 2015.
156. Espaillat A. *Management of corneal astigmatism in cataract surgery .* XXXI Pan-American Congress of Ophthalmology. Bogotá, Colombia. August 2015.
157. Espaillat A. *Cataract surgery in eyes with epiretinal membrane .* 8th International Congress of the Northern Hemisphere , Central America and the Caribbean. Cancun, Mexico. July 2015.
158. Espaillat A. *Live Surgery.* 2nd International Congress on Cataract, Refractive Surgery & Retina. Quito, Ecuador. July 2015.
159. Espaillat A. *Lens surgery in which a toric lens is to be inserted and the posterior capsule ruptures. How to resolve this?* 2nd International Congress on Cataract, Refractive & Retina. Quito, Ecuador. July 2015.
160. Espaillat A. *LenSx surgery in the second eye of a patient whose capsulotomy is displaced posteriorly and a ReSTOR lens is required . What should be done?* 2nd International Congress on Cataract, Refractive & Retina. Quito, Ecuador. July 2015.
161. Espaillat A. *Surgery in a patient with phacomorphic glaucoma due to cataracts with severely absent zonules. How should it be approached?* 2nd International Congress on Cataract, Refractive & Retina. Quito, Ecuador. July 2015.
162. Espaillat A. *Video: Surgical management of luxated IOL combined with DSAEK in complicated cataract surgery .* American Society of Cataract and Refractive Surgery Congress. San Diego (CA), USA. April 2015.
163. Espaillat A. *Technological advances in astigmatic management .* American Society of Cataract and Refractive Surgery Congress. San Diego (CA), USA. April 2015.

220.           Espaillat A. *Posterior Polar Cataract* . Surgical video. 43rd Congress of the Dominican Society of Ophthalmology. Bávaro, Dominican Republic. June 2010.
221.           Espaillat A. *Low -fluidics strategy in torsional ultrasound* . Oral presentation. IV ALACCSA-R International Congress of the Northern Hemisphere , Central America and the Caribbean. Mexico City, Mexico. October 2009.
222.           Espaillat A. *Management of astigmatism in lens surgery* . Oral presentation. IV ALACCSA-R International Congress of the Northern Hemisphere , Central America and the Caribbean. Mexico City, Mexico. October 2009.
223.           Espaillat A. *The decision tree for premium technology intraocular lens implantation*. Oral presentation. Toric Summit Central America. Guanacaste, Costa Rica. October 2009.
224.           Espaillat A. *Toric Intraocular Lens Implantation. Experience in the Dominican Republic*. Oral presentation. Toric Summit Central America. Guanacaste, Costa Rica. October 2009.
225.           Espaillat A. *ReSTOR +3 and +4: When to use which?* Oral presentation. Toric Summit Central America. Guanacaste, Costa Rica. October 2009 .
226.           Espaillat A. *Visual function with bilateral implantation of the ReSTOR multifocal IOL Asférico +3. Comparative results*. Oral presentation. XI Congress of the Guatemalan Ophthalmology Association. Guatemala City, Guatemala. August 2009.
227.           Espaillat A. *Outcomes of toric IOLs versus corneal relaxing limbal incisions*. Oral presentation. Roundtable discussion during an activity sponsored by Alcon Laboratories . Guatemala City, Guatemala. August 2009.
228.           Espaillat A. *Evolution of the efficiency of torsional phacoemulsification in cataract surgery*. Oral presentation. 42nd Congress of the Dominican Society of Ophthalmology. Bávaro, Dominican Republic. June 2009.

229. Espaillat A. *Phacoemulsification surgery: Pearls in the prevention of vitreous-retinal complications*. Oral communication. 42nd Congress of the Dominican Society. of Ophthalmology. Bávaro, Dominican Republic. June 2009.
230. Espaillat A. *Enhancing patient flow by incorporating ReSTOR Aspheric +3*. Communication oral. Advancements in Cataract Technology Symposium. Fort Worth (TX), United States . March 2009.
231. Espaillat A. *Astigmatism management for successful lenticular refractive surgery* . Oral presentation. Course "Latest Updates in Refractive Surgery, Cataract, Retina and Glaucoma" presented at the 10th CEOVAL International Ophthalmology Meeting. Valencia, Venezuela. February 2009.
232. Espaillat A. *Capsular block syndrome (update)*. Oral presentation. Course "Recent Updates in Refractive Surgery, Cataract, Retina, and Glaucoma" presented at the 10th CEOVAL International Ophthalmology Meeting. Valencia, Venezuela. February 2009.
233. Espaillat A. *Biography Tribute to Dr. Arnaldo Espaillat Cabral*. Oral presentation made at the request of the Board of Directors of the 41st Congress of the Dominican Society of Ophthalmology. Bávaro, Dominican Republic. June 2008.
234. Espaillat A. *IFIS in Toric Intraocular Lenses*. Oral presentation at the 41st Congress of the Dominican Society of Ophthalmology. Bávaro, Dominican Republic. June 2008.
235. Espaillat A. *LIO ReSTOR Aspherical versus Spherical ReSTOR* . Oral presentation. 41st Congress of the Dominican Society of Ophthalmology. Bávaro, Dominican Republic. June 2008.
236. Espaillat TO. *Experience clinic with glasses intraocular ReSTOR spherical*. Communication Oral presentation. Advances in Cataract Surgery Course, held at the 6th Meeting of the Barraquer Institute Alumni Section. Barcelona, Spain. April 2008.
237. Espaillat A. *Transition to ReSTOR Aspheric IOL*. Oral communication carried out. Advancements in Cataract Technology Symposium . Fort Worth (TX), USA. February- March 2008.
238. Espaillat A. *Live surgical presentation of the first implantation of an AcrySof toric intraocular lens in the Dominican Republic*. Pre-Congress Course on Cataract Surgery of the 40th Annual Meeting of the Dominican Society of Ophthalmology. June 2007.
239. Espaillat A. *Clinical experience with ReSTOR* . Oral presentation. Apodized Lens Symposium. Acrysof ReSTOR by Alcon Laboratories . Santo Domingo, Dominican Republic. October 2006.
240. Espaillat A. *Pearls for successful lenticular refractive surgery* . Oral presentation. 39th Congress of the Dominican Society of Ophthalmology. Bávaro, Dominican Republic. June 2006.
241. Sardi C, Leonor N, Espaillat A, Alvarado A. *1 mg vs. 4 mg of intravitreal triamcinolone in the treatment of diabetic macular edema refractory to laser*. Oral communication. World Ophthalmology Congress . Sao Paolo, Brazil. February 2006.
242. Espaillat A. *Quality of life with phacorefractive surgery and the pseudoaccommodative intraocular lens ReSTOR* . Communication oral. XXXVIII Congress Society Dominican Ophthalmology Association. Bávaro, Dominican Republic. June 2005.
243. Sardi C, Leonor N, Espaillat A, Alvarado A. *Intravitreal triamcinolone in diabetic macular edema refractory to laser* . Oral communication. XXXVIII Congress of the Society of Dominican Ophthalmology Association. Bávaro, Dominican Republic. June 2005.

244. Espaillat A. *Clinical experience with the Navex System* . Oral presentation. First Mini Symposium of Surgery refractive NIDEK. Saint Sunday, Republic Dominican. January 2005.
245. Espaillat A. *Use of dyes in posterior vitrectomy* . Oral presentation: Retina Course of the Dominican Society of Ophthalmology. Ibero-American University Auditorium. (UNIBE). Santo Domingo, Dominican Republic. October 2004.
246. Espaillat A. *CK (Conductive Keratoplasty) in the treatment of presbyopia* . Oral presentation. 12th Pan-American Regional Course on Ophthalmology; 37th Congress of the Society of Ophthalmology. Dominican of Ophthalmology. Holy Sunday, Republic Dominican. June 2004.
247. Espaillat A. *Lasik , Lasek , PRK, Phakic Lenses and Facorefractive* . Oral presentation. Course for technical and administrative staff. 12th Pan-American Regional Course on Ophthalmology; 37th Congress of the Dominican Society of Ophthalmology. Santo Domingo, Dominican Republic. June 2004.
248. Espaillat A. *Indications for vitrectomy in diabetes* . Oral presentation given at the Dominican Society of Ophthalmology courses held at the Alcon Laboratories Auditorium . Santo Domingo, Dominican Republic. August 2003.
249. Espaillat A. *Blindness Prevention in the Dominican Republic* . Oral presentation. Congress on Blindness Prevention; Pan-American Ophthalmology Association Congress. San Juan, Puerto Rico. April 2003.
250. Espaillat A. *Capsular block syndrome* . Oral presentation. 12th ALACSSA Refresher Course in Cataract and Refractive Surgery; 2nd Pre-Academy Day of the Pan American Ophthalmology Association. Orlando (FL), USA. October 2002.
251. Espaillat A. *The World of Capsulorhexis* . Oral presentation. 3rd International Congress. Cornea-Refractive and Phaco 2002; XIV Meeting Annual AWASTE. Mouth Girl, Dominican Republic. March 2002.
252. Espaillat A. *Diffuse Lamellar Keratitis. All you need to know*. Oral presentation. 3rd International Congress on Cornea-Refractive and Phaco 2002; 14th APABO Annual Meeting. Boca Chica, Dominican Republic. March 2002.
253. Espaillat A. *Phacoemulsification: Avoiding problems in the posterior segment*. Communication oral First Symposium International of the Institute Ophthalmological "Difficulties and Complications of Phacoemulsification." Santiago, Dominican Republic. January 2002.
254. Espaillat A. *Diffuse Lamellar Keratitis. Personal experience* . Oral presentation. First Satellite-Based Ophthalmology Conference for Latin America and the Caribbean. Santo Domingo, Dominican Republic. August 2001.
255. Espaillat A. *Pre-chop Phaco : Efficacy of high vacuum and low power* . Oral presentation. 34th Congress of the Dominican Society of Ophthalmology. Bávaro, Dominican Republic. June 2001.
256. Espaillat A. *Phacoemulsification in white and rock-hard cataracts* . Oral communication. 34th Congress of the Dominican Society of Ophthalmology. Bávaro, Dominican Republic. June 2001.
257. Espaillat A. *Relationship between diabetic retinopathy and blindness* . Oral presentation. Symposium on the Modern Comprehensive Management of Diabetic Retinopathy, Santo Domingo, Dominican Republic. May 2001.
258. Espaillat A. *And after the laser, what?* Oral presentation. Modern Comprehensive Management Symposium of the Retinopathy Diabetic. Holy Sunday, Republic Dominican. May 2001.

259. Cabral R, Rodríguez B, Piña M, Espaillat A. *Treatment of refractory glaucoma with cyclophotocoagulation* . Oral communication. XXXIII Congress of the Dominican Society of Ophthalmology. Bayahibe , Dominican Republic. July 2000.
260. Espaillat Al, Espaillat Ar. *Management of diabetic retinopathy for the comprehensive ophthalmologist*. Oral communication. 33rd Congress of the American Ophthalmological Association; XXII Congress Association Pan-American of Ophthalmology. Orlando (FL), United States. October 1999.
261. Espaillat A. *Blindness in diabetic retinopathy. The price of ignorance*. Communication oral. XXXII Congress Society Dominican of Ophthalmology. Port Plata, Dominican Republic. June 1999.
262. Icaza E, Espaillat A. *Management and incidence of vitreous hemorrhage at the Elías Santana Hospital*. Oral communication. 31st Congress of the Dominican Society of Ophthalmology. Bávaro, Dominican Republic. June 1998.
263. *Past, present, and future of refractive surgery* . Oral presentation. 31st Congress of the Dominican Society of Ophthalmology. Bávaro, Dominican Republic. June 1998.
264. Lora J, González C, Asilis J, Estrella F, Grullón R, De la Mota T, Espaillat A. *Initial experience in myopia correction with Lasik , Nidek EC-5000*. Oral communication. XXXI Congress of the Dominican Society of Ophthalmology. Bávaro, Dominican Republic. June 1998.
265. *Therapeutics of diabetic retinopathy at various stages*. Symposium on "Comprehensive, Rational, and Modern Diabetes Therapy." Central University of the East. San Pedro de Macorís, Dominican Republic. March 1998.
266. *Rules in he treatment in retinopathy diabetic* . Communication oral. First National Seminar on Internal Medicine and Ophthalmology. Santo Domingo, Dominican Republic. October 1997.
267. *Technology diagnostic and concepts current in the retinopathy Diabetic*. Oral presentation given at the monthly meeting of the Society of Endocrinology and Nutrition of the Dominican Republic. June 1997.
268. *Ophthalmologic Emergencies*. Keynote Address. Scientific-Guild Meeting of the Dominican Medical Association. San Juan de la Maguana, Dominican Republic. June 1997.
269. *Historical development and current status of refractive surgery* . Oral presentation. II Dominican Congress of Optometry. Santo Domingo, Dominican Republic. June 1997.
270. Jornet M, Espaillat A, Taborga G. *Local adverse reactions due to Dipivefrin* . Communication oral. Third parties Meetings Ophthalmological of Balearics, Valencia and Catalonia. Spain. June 1996.
271. *Pathology of the Prechiasmatic Sensory System I and II* . Lectures given at the Diploma in Periocular Pathology and Surgery sponsored by the Barraquer University Institute. May 1996.
